Takes Issue With Report Veterans Rentals Too High

Aiding "Christmas On The High Seas"

"Christmas on the High Seas" is the most recent Red Cross project adopted by Andover. The local chapter is undertaking to provide 25 of these packages for servicemen who will be on shipboard at the Christmas season. Several organizations are already cooperating with Red Cross on the project; other groups or individuals wishing to do so are urged to contact the Red Cross office at once, as shipment must be made before Nov. 20.

Instructions received by the chapter.

Local Women Aid Sale For Hospital

Several local women are aiding in the mammoth sale the Lawrence General Hospital Aid Assn., is holding Friday, Nov. 9 in the Lawrence armory.

The sale starts at 2 p.m. There will be many door prizes. The auction will be from 7 to 9 p.m. Many fine pieces of furniture and clothing donated by Greater Lawrence merchants will be included.

Andover women working under the chairman, Mrs. Joseph W. Salhanick, are: Mrs. Charles Hollis, Mrs. Dean K. Webster Jr., Mrs. Leslie Christison, Mrs. George Sawyer, Mrs. Alan H. Woodcock and Mrs. John B. Hawes.

The Andover Housing authority takes issue with a statement contained in a recent report of the state auditor and published Oct. 18 in The Townsman that rents charged for veterans housing appear to be in excess of actual needs as is evidenced by the fact that a surplus from operation of more than \$12,000 has already developed.

Feeling that this comment published under the heading "Veterans Rentals Too High" may have created a wrong impression the authority has issued the following statement to The Townsman:

"The members of the Andover Housing authority wish to correct the impression created by the report of the state auditor covered in the October 18, 1951 issue of The Townsman.

"Rents at the veterans' housing development are controlled by the State Housing board which requires that rents be adjusted to income as set forth in the article in your paper. The Andover Housing authority has NO CONTROL over these rents. They are determined by the tenant's income in each case, and we have no power to reduce rents unless income of the tenant is reduced.

"The auditor's report was taken up with the State Housing board just as soon as it came out, and they are discussing the matter with the state auditor.

"In fairness to the veterans and

School Costs To Increase Next Year

Increases due to salary boosts, the need for additional teachers, and an upswing in the pupil load were cited by Supt. Kenneth L. Sherman in submitting his initial Budget to the school board Tuesday night, as reasons for an increase of more than \$46,000 to operate the school system next year.

The town appropriated \$381,487 for schools this year. The new budget request for \$427,700 is to be studied by the board before action is taken.

The superintendent said he would be seeking seven more teachers for grammar school. Next September he will need one at the Central, two in the West Central, one in the Shawsham and one in junior high. In April when the West Center is scheduled to open he will need two

2.72 Inches Of Rain In Storm Saturday

The terrific wind and rain storm that lashed the New England coastal areas Saturday leaving death, damage and destruction in many places did very little damage here.

Rainfall of 2.72 inches was recorded by the Essex Company during the day, and at times the winds reached gale force.

Employees of the board of public works were busy from morning to until about 5 p.m. freeing catch basins that had become choked up with fallen leaves, which for a time caused overflows into the streets. A few culverts were plugged up with leaves and twigs.

The winds did some slight damage to trees, a few of which were reported broken but none that carried down wires or interfered with the public utility companies.

Garden Club Wins Coveted Award

Mrs. Frank M. Benton, president of the Andover Garden club, announced today that the club has won the Purple award of the National Federation of Garden clubs.

This award which can be given annually to only two garden clubs in each state is for outstanding achievement in a flower show and was awarded to the Andover Garden club for its flower show held June 8 - 11 in collaboration with the Addison Art gallery of Phillips academy.

Mrs. Houghton Farnum spoke on "House Plants" at the Nov. 6 meeting held at the Andover Inn. She illustrated her lecture with living material which was auctioned later to club members by Mrs. John B. Cecil Jr.

In the horticultural exhibit of berry-bearing trees, shrubs and vines, arranged by Mrs. Charles Arnold, the following prizes were awarded: 1, Mrs. Joseph Eno, a collection of varied shrubs; 2, Mrs. Charles Arnold, euonymus in a pewter mug; 3, Mrs. William Kurth, turquoise berry vine.

An interesting display of books and house plants was exhibited under the direction of Mrs. Benton.

Local Chest Drive Seen Nearing Goal

Final reports on the Greater Lawrence community chest campaign will be made tonight and leaders are hopeful of obtaining the necessary quota.

Up to Tuesday night Andover workers had collected \$16,820, or 89% of the town's quota. James R. Adriance, Andover chairman, is optimistic about the local drive as there are more contributions expected to be made in the next few days which will increase the sum. Last year the town's total quota was \$17,370. This year it has been increased to \$18,979.

Preparations for a gala parade Thanksgiving eve that will help attract hundreds to the business area in connection with the turning on of the Christmas lights were further advanced at a meeting of the new Andover board of trade Monday night which also voted:

To close stores all day on the observance of Armistice day, Monday, Nov. 12.

To open stores until 8 p.m. Thanksgiving eve in connection with the street lighting program;

To open stores until 9 p.m. during the Christmas shopping season Dec. 14 and 15, and Dec. 17 through 22;

To close at 6 p.m. Monday, Dec. 24.

Vote Scouts \$100 To Maintain Rooms

The selectmen Monday night voted \$100 to James Butler, scoutmaster of the Ballardvale troop of boy scouts, for use in maintaining the town building known as the community rooms. These rooms are assigned as headquarters for the scouts. The appropriation is made each year.

Permission to remove one pole on Tewksbury street near the railroad crossing was granted jointly to the utility companies. They were also granted joint use of three poles on County road, west of South Main street, now owned by one company.

Are the Woolly Caterpillars Right?

I noticed a thin coating of ice on two ponds on the way to the station this morning. Makes me thankful I got the screens off and the storm windows on last week-end. Big discussion at the station whether we were going to have "green" winter or a lot of snow. Opinion seemed to be divided, but someone spoke up and said he'd read in Life magazine that the woolly caterpillars have wide bands this year; that means only one thing—a very warm winter. Another guy said he'd be thankful as his youngest son had gone off to college and that meant he would have to do all the snow shoveling himself.

That brought the conversation around to griping about how the town could do better at snow removal and someone said, "Look at how the Boston and Maine goes at it. They're on the job just as soon as the first flake starts falling."

"That's right," another fel-

low said. "When I hear the radio calling for snow shovelers for the B and M, I know we're in for at least six inches. They're better than the weather man."

Then our oldest commuter spoke up. "I guess," he said, "the B and M has an ear out for all the weather prophets—even the woolly caterpillar. But they're not taking any chances. Each year about this time you'll see a lot of B and M snow-fighting equipment lined up on sidings all over the system... big snow plows, bucket loaders and two or three of those ingenious locomotive snow melters like the one they designed and built for themselves several years ago. The B and M's got a pretty good on-time reputation to maintain and for my money they've been doing it darned well for a good many winters."

Just then along came the 8:08—on time. And we all made for the platform.

One of the dancing couples to appear in George Washington hall at Phillips academy Sunday, Nov. 11 at 3:30 p.m., when Austria sends 20 students and teachers on leave from universities to present a musical show of gay Austrian melodies, folk dancing and yodels in a unique gesture of international good will. Admission is free. Prior to their performance they will be heard of station WLAW at 2:30 p.m.

WANTS BLANKETS FOR NEEDY FAMILY

Andover chapter, American Red Cross greatly appreciates the generosity of two Andover families who responded to last week's appeal for an oil stove needed by a small family. Two were received, one a combination oil-gas range, the other an oil heater. The chapter now is trying to supply blankets for a family in which there are five children. Anyone with a blanket to donate can call the headquarters in Elm square.

Newcomers Club Elects Officers

The Welcome Wagon Newcomers club of Andover met Monday night in the Memorial Hall library where Miss Cynthia Noone showed some of her fine pictures in color and gave an interesting account of her tour of Europe last summer.

Several new members were welcomed to the club by the president, Mrs. Herve Foreman. Refreshments were served by the following hostesses: Mrs. Willis Hartford, Mrs. Wilbur Medkeff, Mrs. George West and Mrs. Frank DeCoster.

Members of the club were urged to give volunteer aid to the Lawrence General hospital. A good response was forthcoming. The club also voted to send a CARE package to Europe. A Christmas party for members will be held at the home of Mrs. Albert L. Richmond Dec. 17.

The nominating committee presented a slate of officers for 1952. The following were elected: Mrs. Herve Foreman, president; Mrs. Emory Ackerman, vice president; Mrs. James Kidd, secretary; Mrs. Edwin Zelezny, corresponding secretary; Mrs. James Trenholm, treasurer.

School Guild Meeting Tonight

The regular monthly meeting of St. Augustine's Catholic School guild will be held tonight at 8 p.m. o'clock in the school hall. Dr. Philip F. Doyle will be the guest speaker. His topic will be "Dental Health and the Newer Aspects of Dentistry." The business meeting will follow.

Mrs. Katherine Hurley is chairman of refreshments, assisted by Mrs. Frank Parent, Mrs. William F. Simeon, Mrs. John Cussen, Mrs. Albert McCarthy, Mrs. John A. Costello, Mrs. William J. Cronin, Mrs. Frank D. Lee and Mrs. Ernest Matton.

The board of directors will meet at 7:15 p.m.

Clubs Hold Joint Hallowe'en Party

Many weird and original creations were seen at the Hallowe'en party held Saturday night by the Ping Pong and Pequawket Mountain clubs at the South church. The vestry was appropriately decorated for the occasion by Mr. and Mrs. John Hall, George Glennie and Zygmund Kupis.

Prize winners included Mr. and Mrs. Hall, as a rustic couple, Ronald Valentine and George Luedke. Original and entertaining games were played and a pantomime put on under direction of the games committee, Stanley Brown, Edward Griffin and Robert Hatton. The peanut scrambles were won by Ruth Hatton and Ray Sanborne, while the "find your husband in the dark" was won by Mrs. Flora Valentine.

Refreshments were served by Fraser Colpitts, George Luedke and Gerard Nadeau.

BAPTIST CHURCH NOTES

Next Sunday the Rev. Roy E. Nelson, pastor of the Baptist church will use as his sermon subject, "Christ, Communism and Chaos." This will mark the seventh week in the local churches "Eight weeks for Christ" program.

This Armistice day service will also be dedicated to the honor of the young men from the church who are now in the armed forces. All are invited to attend.

Thanksgiving Sunday Nov. 18 will be observed with another family worship hour at 10:45 a.m.

School Skippers To Race MIT Fresh

The Schools Sailing club, which has many Andover members, will race against MIT Freshmen next Monday on the Charles river in the Tech sailing dinghies. This event will mark the end of the fall sailing for the club.

Last Wednesday the club sailed against Phillips academy on Lake Cochichewick, North Andover, in the academy dhows, winning the meet by a small one-point margin in a five-race series.

Both teams were tied with 20½ points at the end of the fourth race when Bob Blomquist of Punchard, by good tactics and excellent sailing, gained the needed first place to break the tie. Other local skippers sailing that day were Dick Walls of Canterbury st., and Jim Whipple of North Andover. Crews included Jim Fuller of Central st. Polly Hogan of Hidden rd., Jim Sparks from Ballardvale and Bill Byers of Phillips st.

The skipper school for beginners closed last week until spring and two new skippers received diplomas when Raymond Otis and Bill Edwards of the Junior high school passed with high honors.

The winter sailing school will start after Thanksgiving, April 1, 1952, will mark the start of the spring racing season with racing at Wakefield. Mrs. Philip Hogan is president of the Schools Sailing club which now comprises 20 public and private schools.

Appreciates Aid For Halloween

The Andover Recreation committee wishes to thank all those who participated in making the recent community Hallowe'en celebration a success.

It extends its thanks to the following for financial assistance: Central PTA, St. Augustine's School Guild, Andover Teachers' Assn., Andover Police Relief Assn., Hill's Hardware, the Veterans of Foreign Wars and auxiliary, the American Legion and auxiliary, Andover Service club, Andover Youth Center, Andover chapter D.A.V., Shawsheen PTA, and Carmelina Cristaldi.

It also wishes to thank members of the Hallowe'en committee who were faithful in attendance at the meetings and those who assisted so ably the night of the party. The latter includes the Punchard all girls' band, the cafeteria staff, the Andover Fire department and delegates of all the cooperating organizations.

Rowdyism Mars Hallowe'en Event

The disturbing element of rowdyism was injected into the community Hallowe'en celebration last Wednesday evening by a small group of boys from Phillips academy.

They participated in a series of events which culminated in police action after complaints had been made that several girls had been molested.

Squads of police officers toured the streets with the girls in police cruisers looking for the culprits. School officials cooperated with the police in an investigation that carried on until midnight and was taken up again Thursday morning during which several boys were at the police station for questioning.

The trouble started as the Hallowe'en parade headed by the all-girls band of Punchard was going along Main street between lines of hundreds of spectators on the sidewalks. A group of boys came marching four abreast down the street singing and shouting, and before they crashed headlong into the band at Chestnut street, veered up on the sidewalk. They held their ranks and marched along until the band passed them, then turned out into the roadway and broke into the procession.

Some started to snake-dance in and around the rear ranks of the band but after about half a minute

augmented by the auxiliary police, firemen and several veterans in uniform, soon broke up a gathering near Punchard avenue and Bartlett street. Shortly afterward a false alarm was sounded from box 46, Main and Morton streets.

A little later, according to investigating officers, some of the boys joined a group of girls who were making "trick or treat" visits to houses on Morton street. The girls wanted to "shake" the boys and confiding their intention to the householder were let out the back door while the boys remained in front of the house.

Police report that as soon as they got out of the house the girls began to run and the boys gave chase. The girls went through a hedge, the boys quickly overtook them and it was claimed that a couple were tackled football-style and thrown to the ground.

Complaints brought the police into the picture. Two boys were brought to the station Wednesday night and Chief George A. Dane with Officer James R. Lynch continued the investigation Thursday when others were brought to the station for questioning.

During the activity around the police station Wednesday night a young man reported that while his car was parked up near Phillips street a window had been broken.

It takes plenty of horse sense to maintain a stable government.

Attend Rodeo

The Shawsheen cub den of cub pack 72 and several of their friends attended the rodeo at the Boston Garden Saturday. They were accompanied by Paul McKinnon and Arthur Minzner. Those making the trip were Dick Foster, Paul McKinnon, Kenny Williams, Allen Flye, Billy Minzner, Brad Richards, Donald Sorrie, John Woodcock, Butch Hartford, Sherrill Hartford, and Judy McKinnon.

Woman's Club

Guest night was observed by the Shawsheen Village Woman's club, at the Shawsheen school Monday evening. A large number of members and guests were present to enjoy the excellent program presented by Mrs. William Thompson, program chairman. Accompanied by Earl Weidner, well-known organist and concert master, a quartet of young men, all graduates of the New England Conservatory, presented a diversified program of music, ranging through religious songs, folk tunes, grand opera and musical comedy. They were most enthusiastically received.

During the business meeting the resignation of the corresponding secretary, Mrs. Raymond Pearl, was read and accepted and Mrs. Joseph Byrne was appointed to complete her term of office. Five new members were welcomed into the club. Several lovely fruit and flower arrangements, prepared by the Art department, were on display. An appeal from the general federation of women's clubs was read by the president, Mrs. Walter Caswell, asking all members to cooperate in a nation-wide campaign to raise funds for sending CARE packages to help the civilian refugees of Korea. Collection boxes were set up in the hall to receive contributions. The campaign is scheduled to run from Nov. 12 to Thanksgiving day and all club women are urged to co-operate.

Refreshments were served at the close of the meeting by Mrs. Leon Field and Mrs. John Connors and their committee of hostesses. During the social hour, the quartet, the Cavaliers, yielded to popular demand and sang a medley of songs from "Oklahoma." Everyone was high in their praise of these young musicians and felt that they had spent a very enjoyable evening.

Preservation of Antiques

The antique department of the club will meet at the Historical House at 2 p.m. Friday when Mrs. Jesse Bottomly will be the speaker. Tea will be served by the hostesses, Mrs. Frederick Higgins and Mrs. Arthur Steinert.

Literature Department

The literature department will meet at the home of the chairman, Mrs. Andrew Sullivan, 363 N. Main st., at 10 a.m., Wednesday, Nov. 14. Mrs. Lewis Putnam will give the second in a series of book reviews of current books. Morning coffee will be served.

Dramatic Department

The dramatic department will meet at the Andover Country club at 2:30 p.m. Friday, Nov. 16. Dessert and coffee will be served promptly at 2:30 and at 3 p.m. a series of four 15-minute sketches will be presented.

A last-minute touchdown by Joe Wennik gave Phillips academy a 14 - 7 victory over Tufts Fresh Saturday in a game played for the most part in a driving rain. The slippery turf hampered backs. There were five fumbles for each side.

After a scoreless first period Andover counted when two completed passes set up the first touchdown. Near the end of the half Tufts evened it up when Ron Lorranger broke off tackle for a 30-yard run for the touchdown.

The third period was scoreless and the final quarter was near closing when the Blue scored again for its fifth win of the year. Two long runs by Hort Smith which netted 60 yards brought the ball to Tufts 9-yard line when Wennik sprinted around left end for the winning score.

Ticket Teams

There is great rivalry now among the various junior and sophomore ticket teams, with each group striving to sell the most tickets for "Brother Goose", the play to be presented by the two classes Nov. 16. The students are divided into 22 teams, with captains who are as follows:

Sophomore class captains, Shirley Barron, Jane Barker, Beverly Donahue, Charles Giovinco, Pamela Kimball, Dorcas Johnston, Vivian Marchese, Paul Ostrowski, Cora Reed, David Shaw, Charles Simpson and Ann Smith.

Junior class captains, Carolyn Blake, James Dolan, Robert Erler, Gail Goddard, Libby Hatton, John Lawrence, Margaret MacLachlan, Joyce Mowatt, Sidney Tavern, and Sally Seinwerth.

Guidance Notes

Francis Parkman of the admissions and scholarship committee of Harvard Univ. visited Punchard guidance director, Bernard M. Kellmurray, Monday.

A representative of the director of admissions of Barnard college in Columbia Univ. will be at Punchard Friday, Nov. 16 to talk with any girls who are interested in Barnard.

Applications for examinations under the N. R. O. T. C. program must be filed at the educational testing service at Princeton, N. J. by Nov. 17.

Applications for the December session of college board examinations close Nov. 10, while those for the January session close Dec. 22.

Last Thursday the seniors were shown the results of the California vocational interest inventory which were taken in October.

J.R.C. Assembly

Miss Barbara Loomer, executive secretary of the local Red Cross chapter, was guest speaker Monday in a joint assembly of Punchard and Junior high students. Miss Loomer gave an interesting and inspiring talk, describing many ways by which the Red Cross lives up to its motto of "People helping people through Red Cross" and to its keyword, "Service". She also

explained the principle projects of Junior Red Cross; namely: international correspondence, the international art program, the gift boxes, and the children's fund.

Following Miss Loomer's fine talk, a timely movie, "The Red Cross Report," was shown. This film depicted the very urgent need for blood, both for use on the battle front and on the homefront. It emphasized the rather distressing fact that, should a national disaster suddenly occur, the present supply of blood would soon be wiped out.

Jr. Red Cross Enrollment

The Punchard Junior Red Cross council is staging a vigorous enrollment campaign during the weeks of Nov. 4 and Nov. 11. The first week, the council is endeavoring to acquaint the student body with the work of the Junior Red Cross by displaying attractive posters, made by Punchard artists Marion Glennie and Libby Hatton, and by giving specific information about J. R. C. via various homeroom notices. The second week, the home room representatives will take over, making the J. R. C. collections for enrollment.

Shirley Murray is chairman of this enrollment campaign. This summer Shirley and Sally Seinwerth, school chairman of the blood bank work, were delegates at the J.R.C. convention in Wellesley. Judy Nowell is in charge of publicity and supplies for the campaign. Gladys Thomson was program chairman for the Red Cross assembly, Nov. 5.

Notes

A combined meeting of Junior High and Punchard faculty members was held Wednesday afternoon, Nov. 7. Miss Amy Mayo of the American Book Co. spoke concerning reading problems and the ways in which to correct reading disabilities.

G. Arthur Danforth of the science department has been placed in charge of all audio-visual matters of both Junior High and Punchard. His duties will include putting the movie projector, sound machine, and other such machines to more effective and regular use.

A French club is soon to be organized here at Punchard! Miss E. Marjorie Smith of the French department met with a group of interested students yesterday to draw up plans for the new club.

Also on Wednesday, the film "Why We Fight" was viewed by the student body. This excellent movie, the first of a series of four to be shown during the year, was

used throughout World War II to explain to the fellows and gals in the services why they were engaged in that war.

Teachers and students are all looking forward to the long weekend, Nov. 9 through Nov. 12. Teachers' convention day, the ninth, and Armistice day, the "twelfth", are welcome holidays!

Prices at least seem to be able to find lots of room at the top.

64 YEARS

Yes, 64 years ago is a long time to think back. In the year 1887 when this great furniture store opened its doors for the first time Alexander B. Bruce was serving his second term as Mayor of Lawrence. The electric trolley had just been invented by Thomas A. Edison, and businessmen everywhere were beginning to see the possibilities of Alexander Graham Bell's infant telephone.

Through six decades embracing three major conflicts: The Spanish-American War, World War I, and World War II; through depressions, recessions, and inflations; in plain, through good times and bad, for 64 years Sullivan's has had the privilege of serving its customers by its contribution to the harmony and beauty of that greatest of all American traditions, "The American Home."

As we are about to open our doors to start our 65th year of business under the same family management it is only right that we should thank all the wonderful customers who have made possible our recognition as the outstanding furniture store in this vicinity.

The New Tax Bite

The new tax law that went into effect the first of the month will have a painful effect upon the taxpayers' pocketbooks.

What it will do is described by U.S. News & World Report in these words: "Tax collectors . . . are going to be taking \$84 billion a year out of the pockets of people and treasuries of corporations. They will take nearly one dollar out of each three dollars of the nation's income. This is a record amount."

If the cost of government keeps on climbing where will the revenue come from?

The U. S. News says: "It is at levels below \$25,000 that tax planners are looking for any new revenues that are proposed after the 1951 increase. Individuals who earn \$10,000 to \$25,000 a year have a total of more than \$16 billion left after federal taxes. People with incomes of \$5000 to \$10,000 have an aggregate of nearly \$32 billion left. And individuals with incomes of less than \$5000 have a total of more than \$90 billion left over."

Read that statement once more. About two-thirds of all the money left after taxes is in the "under-\$5000" income bracket. And it's that money which new tax boosts must bite into deeply.

Now answer this question: "Under these circumstances, have I a personal interest in government economy?"

No Rowdiness Wanted

Hallowe'en is a time for pranks and fun and practical jokes, but not for rowdiness.

It is to keep the occasion from degenerating into one that would leave an aftermath of property damage and destruction in its wake that the town through several cooperating organizations puts on a big community celebration.

This is intended to show youngsters that there is plenty of fun and amusement to be had on Hallowe'en without resorting to disturbance and destruction. Children and grown-ups alike have entered into the spirit of this event and have enjoyed the fun.

While the town was setting this example of good conduct last Wednesday evening it is to be regretted that a handful of boys from a fine school chose this occasion to put on a rowdy exhibition before the participating children and hundreds of spectators. Their actions at one time almost brought on a brawl.

The conduct of a few of them finally resulted in police action. School authorities were quick to join the police in their investigations and between them several culprits were rounded up and put "on the carpet."

We feel confident that proper disciplinary action will follow and steps will be taken to see that no such disgraceful exhibition happens again.

New Books

Dizzy, Pearson.

The great Disraeli began his political life with many handicaps - his race, his wit, his appearance and temperament. In this delightful bit of biography the reader sees him surmount many obstacles and make for himself a place in social, political and literary life.

Sails and Whales, Chippendale.

Here is action, excitement, danger, as Captain Harry Chippendale tells of his life in whaling. Born at sea, he was brought up in a whaling center and at the age of 16 signed on as a member of the crew of the bark Canton. He has been whaling in the South Atlantic, the Indian Ocean and the Antarctic.

Failure In Japan, Textor.

This book is an inquiry into MacArthur's conduct of the occupation of Japan.

The Cautious Revolution, Watkins.

A history of the first five years of British experiment with Socialism; an unbiased report of the Labor government since the war. Covers food, rationing, devaluation of the dollar, housing, insurance and health programs.

Nature Of The Universe, Hoyle.

A young Cambridge university astronomer has tried to weave together the known facts about the universe and present those facts in simple terms. He discusses such subjects as "Is there life on other planets? How was the universe created? Could atomic explosion set off a nuclear reaction and explode the earth?"

The Law, Bastiat.

This was first published as a pamphlet in 1850 by a French economist, statesman and author. Similar conditions in America made this report interesting; the arguments he advanced against socialism then seem equally valid to some readers today.

The General Who Marched To Hell, Miers.

"An attempt to capture from contemporary records the moods and motivations of one of the unique episodes in American history." Sherman's march from Chattanooga to the sea is vividly retold.

BOOK WEEK TO CLOSE

Open house, on Sunday afternoon November 18, will bring to a close the library's observance of book week, held over the nation Nov. 11 - 18. Many of the fall publications will be on display during the week in both the adult and young people's rooms, and all books may be reserved.

The highlight of the Sunday afternoon informal gathering will be talk on Mt. McKinley, Alaska 20,000 foot peak by the first woman to reach its top. Twelve men and Mrs. Washburn, wife of Bradford Washburn, the explorer, made the first scientific conquest of North America's highest mountain.

Mrs. Washburn will show colored movies and slides during the talk.

Refreshments will be served, and all friends of the library are most cordially invited to be present. The talk will be made at 4 o'clock.

HERE'S TO YOUR HEALTH

ARTERIES

Your arteries apparently are even more important to you than has been previously suspected, according to a recently reported series of experiments.

In the past, most medical scientists have considered the arteries to be somewhat inert pipes through which the blood supply was channeled from one part of the body to another. They were not considered to be important in the body's chemical activities.

But recent work has shown that the arteries have many of the characteristics of vital organs like the liver. The arteries can build complex and essential compounds out of simple materials and they can break down complex compounds into simple ones.

School enrollment is now 1800. Punchard will graduate 80 next June and the following September about 180 new pupils will enter the schools.

Supt. Sherman included an item of \$2500 in the budget for the subsidization of athletics, a project now supported by the Punchard Athletic Assn. The Boosters club has contributed thousands of dollars toward this project in the past. Under the proposed plan the school department would provide equipment for the band, cheer leaders and teams as well as supply instruments and transportation.

On motion of William A. Doherty, secretary, and seconded by Mrs. Partidge the board accepted a recommendation of Supt. Sherman that the book, "Enjoying English" by Wolf, Hamilton and Geyar be adopted in the schools.

Minutes of the Oct. 2 and Oct. 23 meetings read by Sec. Doherty were approved.

100 Percent Rating For School Patrol

The elementary schools of Andover have received 100% rating by the registry of motor vehicles for their present splendid school safety patrols.

Notification of this action, just received by the school department, follows an intensive analysis made here recently by representatives of the registry office.

In connection with this patrol and in order to further improve its operation, Supt. Kenneth L. Sherman has appointed the following members of the school faculty to serve as a safety council for the public schools: Benjamin F. Dimlich, chairman, Kenneth L. Sherman, Catherine M. Barrett, Mary A. Collins, Isabelle Dobbie, Anne M. Harnedy, Owen Hinckley, Harold Howe 2nd., and Dorothy Kyle.

The report from the registry also gives Andover great credit and commendation for its driver-training course under Owen Hinckley. The course, made possible through the cooperation of the Shawsheen Motor Mart, teaches upper class students how to drive.

MARRIAGE RETURNS

The following marriage returns have been filed at the office of Town Clerk George H. Winslow:

Marvin Wayne Summersett, 2525 Lubarnum ave., Charlotte, N. C., and Patricia Black, 6 Washington ave., married Oct. 19 by the Rev. Frederick B. Noss, at her home. George Allen Aarons, 106 East 57th st., New York, N. Y., and Lorita Dewart, Stonehedge place, married Oct. 27, at St. Peter's church, Beverly, by the Rev. Russell Dewart.

HALLOWE'EN PARTY

The teen agers class of the Andover Baptist church held a Halloween party at Big Island pond last Friday. Hot dogs, hamburgers, apples, doughnuts, cider and hot chocolate were enjoyed. Games and dancing completed the afternoon and evening outing. Jack Rose, Daniel Hailson and Mrs. Helen Hesse provided transportation. Mrs. Hesse and Mrs. Rose were the hostesses.

THANKSGIVING EVE PARADE TO OPEN CHRISTMAS SEASON

(Continued from Page One)

Meeting in the quarters of the Andover Square & Compass club with President W. R. Hill presiding, the Board heard reports from its several committees, discussed future store hours and voted to have the Christmas street lights turned on at 6:30 p.m., Thanksgiving eve at the same time that the parade will start.

Preparations for this occasion are expected to develop into a festive event with the board of trade celebration merging into the parade staged by the Boosters club as part of a Punchard football rally for the Thanksgiving day game.

James R. Mosher, reporting on the Boosters club arrangements for the celebration, said that the parade would assemble at 6:15 p.m. with the head on Elm street near the Free church. It will start at 6:30 p.m. and with a police escort will have the Punchard all-girls' band; the Phillips academy band, if enough of the members remain here during the holiday; the Boosters will have a float, three merchants have signified their intention to enter floats; the Legasse Amusement Co., which is putting up the street lights, will have three floats, and members of the board may enter floats if they so desire.

In the parade there will be several troops of boy scouts and girl scouts and members of the board with town officials will occupy a prominent place in the procession.

Mr. Mosher will be parade marshal. The line of march will be from Elm, to Main to Morton, to Bartlet, to Park streets. Here the floats will turn east and away from the business area, while the marchers will proceed to the town house where a brief program will be presented.

It is expected that the program will be completed by 7:30 p.m. so that it will not interfere with the annual ball of the firemen to be held that night.

Action on the store hours followed a report of the merchants committee, Stanley F. Swanton chairman. It was also voted that the merchants committee at a reasonable time before each holiday call a meeting of the merchants concerned to consider the hours of closing for that particular holiday. It was also voted that the committee be authorized to spend up to \$150 for the promotion of activities for the Thanksgiving eve program.

T. Augustine Farragher, chairman of the lighting committee, reported that installation and removal of the wires and lights for the Christmas street decoration would cost \$2100, and that assessments would be made soon after the lights are turned on.

William A. Doherty, chairman of the membership committee, reported that the committee is ready to go ahead in its campaign for new members. Tentative dues have been set at \$5 minimum to \$25 maximum.

A suggestion of Harold E. Heseltine that the club conduct a contest among high school pupils for a fitting club emblem to be used on its stationery and in its advertising,

JANE BAKER

Junior - Sophomore Comedy Friday

The hilarious three-act comedy "Brother Goose" directed by Marvin E. Stevens will be presented by a Punchard junior-sophomore cast at 8 p.m. Friday, Nov. 16 at the Memorial auditorium.

Playing the role of Carol, "a member of the flock," is Jane Baker, president of the sophomore class. She also appeared in the Junior high play, "Yankee Doodle American," last year.

Tickets may be obtained from any member of the '53 or '54 class, and they will be on sale at the door Friday night.

On Traffic Detail At Vale Crossing

Michael Mullaney of Clark rd., has been engaged by Police Chief George A. Dane to do traffic duty at the Ballardvale railroad crossing three times a day during the hours children are going to and from school.

This action follows the request made by the PTA of the district for better traffic protection for school children.

Meanwhile studies of the traffic conditions at Ballardvale and West Andover are being made to determine the number of children who cross the heavily travelled thoroughfares in each district.

TAX COLLECTOR IMPROVING

Tax Collector James P. Christie returned last Friday from the Lawrence General hospital and is recuperating at his home on Pasho st.

was referred to the publicity committee, Miss Miriam Putnam chairman, for a report at the next meeting. A prize of a \$25 war bond to the winner was suggested.

TAKES ISSUE WITH REPORT ON VETERANS RENTALS

(Continued from Page One)

to the State Housing board, three items should be pointed out:

1. Bonds have not been sold pending the settlement with the bonding company for the construction contractor. When bonds are sold the interest rate (now less than 1% on short term notes) will be almost 2%. This will eat up about \$6,000 additional each year.

2. After bonds are sold, amounts will have to be set aside each year to pay off a certain amount of principal each year on bonds. This will average about \$15,000 per year and the authority will need the state subsidy in order to break even.

3. After bonds are sold, amounts will be set aside for reserves for maintenance repairs and vacancy and collection losses. These reserves have not been started. They must be built up in the early years when these costs are at a minimum.

"We request that you publish this letter in order to correct any impression that the members of the housing authority are charging rents higher than required by law."

Sincerely yours,
ANDOVER HOUSING AUTHORITY

Andover Firemen Aid In Lawrence

Andover sent aid to combat the \$75,000 general alarm fire in Lawrence Tuesday that destroyed the John Shea Co. grain elevator and spread to three other houses on West st.

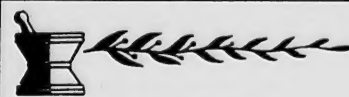

Engine 3 went to the fire on the signal for out-of-town help and pumped for two hours. Engine 1 went to the South Broadway fire station and covered in for about

five hours during the absence of the Lawrence company.
